DJ BIO

DJ Bernard B has been spinning since 1983. He got his start at Skate City Duval in Jacksonville, Fla., and went on to play all the local clubs in Duval - Undefeated Champ of the Tailgate Sound. He founded Southernlistic Music in 2005, bringing Bernard B back to the forefront of the DJ community, and SouthernlisticRadio.com became one of the hottest internet radio shows on the net. When he's not in the club or on the air, he's touring as the DJ for the Bass SuperStars 95 South and 69 Boyz, and DJ for JT Money (Poison Clan) and Uncle Luke. Today he also hosts the daily DJ Tech & AI Morning Brief podcast.
